

ALTRINCHAM · MIXED-USE RESTORATION

WOODFIELD ROAD

Two apartments & a commercial unit

Reviving the Past. Building the Future.

A New Chapter for a Corner of Altrincham.

Woodfield Road is a small, deliberate scheme set within a sensitively restored Victorian corner property — two apartments above a flexible commercial unit at street level.

Original brickwork, the bay canopy and decorative corbels have all been retained. Behind the familiar façade, the interiors have been entirely reimagined for contemporary living and working.

"Three homes for three different ways of using Altrincham."

The Residences
